Raymond
Awards for Excellence

IDEA OF THE YEAR

BUSINESS INNOVATION

This category of award aims to recognize teams for their innovative thoughts and creative ideas which aid in transforming business performance, increase marketability or bring about an improvement in market position. This award also seeks an evidence for uniqueness of the idea, its distinct and game changing advantages over other alternatives. This idea should have demonstrated initial proof of success. (Nominations post minimum 6 months of implementation of an idea)

AWARD NOMINATION PROCESS

- You can fill in the nomination form for the team online and submit to your Business Head for approval
- Business level shortlists will be submitted to the Corporate Awards team
- Awards Committee will shortlist the Business nominations and the final winners will be selected by the Awards Jury
- Please attach ONE high resolution photograph of the entire team
- An additional video byte of maximum 60-sec duration can be uploaded to support the nomination. Guidelines for uploading video byte are given below

ELIGIBILTY CRITERIA

- All Management Staff with a minimum tenure of 6 months as on 31st January 2020
- Team Size – Minimum 3 & Maximum 6 members
- The idea must be implemented for atleast 6 months before the nomination date

Raymond Awards for Excellence

IDEA OF THE YEAR

BUSINESS INNOVATION

EVALUATION CRITERIA

Nominees will be evaluated on multiple criteria including, but not limited to:

- Predictive longevity of the Idea / Sustainability
- Original and Uniqueness of an Idea. (Compared to internal and external benchmarks)
- ROI / Level of impact (quantitative and qualitative) of the idea implemented to the business / function
- Complexity / Magnitude of the implementation
- Any other accomplishments through application of idea

GUIDELINES FOR UPLOADING VIDEO BYTE

- Video Byte is an optional feature that allows the nominees to present highlights of their nomination / achievement
- The video byte should contain crisp messaging about the nomination
- The duration of the video should be under 60 seconds, and file size should be under 10 MB

IDEAS THAT CAN BE NOMINATED

- *Transformational ideas that help the organization achieve or surpass core business aims and initiatives, changes that are seen as path-breaking in the industry and add to long-term value creation.*
- *These are ideas emanating from shifts in business strategy and help overcome existing barriers.*
- *Business Re-engineering, new business ideas that generates value of the organization.*
