- Team Size – Minimum 3 & Maximum 6 members
- The idea must be implemented for at least 6 months before the nomination date

Raymond Awards for Excellence

COST SAVING INITIATIVE OF THE YEAR (CONTINUED)

EVALUATION CRITERIA

Nominees will be evaluated on multiple criteria including, but not limited to:

- Level of impact on bottom line.
- Complexity in execution and individual contribution.
- Longevity of the Idea and Savings (Savings are sustainable and recurring in nature)
- Evidence that the schemes have not compromised adversely on quality or safety.
- In the nomination, provide robust quantifiable parameters that measure impact or ROI. Some examples of measures are:
  - Percentage increase in top line / bottom line
  - Reduction in total cycle time / lead time
  - Reduction in % errors
  - Customer feedback

GUIDELINES FOR UPLOADING VIDEO BYTE

- Video Byte is an optional feature that allows the nominees to present highlights of their nomination / achievement
- The video byte should contain crisp messaging about the nomination
- The duration of the video should be under 60 seconds, and file size should be under 10 MB
